**A one-day meeting organised by the UK Indoor Environments Group**

[www.ukieg.org](http://www.ukieg.org)

**Date: 16<sup>th</sup> June 2016**

**Venue: Coventry University's Low Impact Building Research Centre**

The UKIEG annual conference is a networking event for a multidisciplinary audience of academics, policy makers and industry experts with an interest in improving indoor environments for health and wellbeing.

**Abstract Submission Now Open:**

- **Deadline 10<sup>th</sup> March 2016 (decision by mid-April)**
- **Email your abstract in Word format to Faye Brown [ab6664@coventry.ac.uk](mailto:ab6664@coventry.ac.uk). Specify if you are applying for oral or poster slot.**

The role of residential and learning environments on occupant health and wellbeing throughout the life course is a key consideration, especially when considering, for example, vulnerable populations such as children and older people. This conference brings together research and case studies to help shed light on this important topic.

Topics include:

- **Role of residential and educational environments on occupant health and wellbeing**
- **Thermal comfort and overheating**
- **Features of low impact buildings and post-occupancy reviews**
- **Impact of educational building design on occupant performance**
- **The role of technology**
- **Case studies**

We welcome posters concerning all topics relevant to UKIEG members concerning indoor environments. The conference will include invited speakers, presentations and discussion, a poster session, networking opportunities and a **tour of Coventry University's innovative low impact building**. (tour TBC)

The UKIEG AGM will take place during the lunch break.

**Venue Details:** Engineering & Computing (EC) Building, Coventry University, Gulson Road, Coventry, CV1 2JH

**Conference Fee:** £65 for students and UKIEG members; £120 for non-members
